HEADS

The "Updates" and "Extras" have been re-named "[Heads](#)" and "[Tails](#)".

[Routine sessions](#) - I'm not sure if many people are away at the start of the school holidays, but there are several places left for this week's mid-week sessions:

- At least 4 more for tomorrow night at The Cage (Kallang).
- 5 more for Wednesday night at Sports Planet (East Coast).
- 2 more places for Thursday night at The Cage (Kallang).

The [updated telephone list](#) is attached.

I am trying to limit my SMSes to finding additional players for forthcoming sessions which are short of players, or to find replacements for late withdrawals.

If you are keen to play in a particular session, but it looks short of players, and the session is at risk of being cancelled, you can also ask anyone you know whether they'd like to play. You might know other participants from having played in the same session as them before, and now, you have their mobile numbers as well.

If you are on the mailing list or the telephone list and wish to be removed, either add a comment on the blog or e-mail me to let me know, and I will remove your contact details from the lists.

There will only be one "[Seven Days](#)" post each week, on Monday, until the start of the new football season in most of Europe, in August.

64 places were filled last week. Latest rankings on "[FIOFAFI This Week](#)".
