TAILS

[We now have 18 for the mini-tournament from 5 to 6 pm on Sunday at Turf City.](#) 2 more to make 4 teams of 5 and 6 more to make 4 teams of 6. To those playing, invite a friend if you like.

A few people have said they can't make it because they will be watching Liverpool play at the National Stadium. If you're watching it on TV, you can get home by 7 pm as our session finishes at 6 pm.

[For next week's mid-week session, an extra session has been scheduled. However, if you want to play on a specific day, please confirm early.](#)

Reminder - confirm on the blog if you can, but if you can't access the blog for a significant period of time, or are new and not familiar with the blog, you can e-mail or SMS me. [If you e-mail or SMS me, your priority may run from the time I can get to a computer.](#)

If you have played in the past week, don't forget to vote for your player of the session.

[I expect total page views for the blog to reach 100,000 by this weekend.](#)

On [Eye-Catcher](#), the word is that one of the reasons Sven joined Notts County is that there are 5 women for every man in Nottingham (I've seen the ratio mentioned as 6:1 elsewhere).
