## HEADS

The Sunday evening session at Turf City ended up as an 8-a-side.

[Read the report on the blog.](#)

[And a colourful report on last night's "colourful" session.](#)

[The frequency of scores in the Premier League last season.](#) Not surprisingly, 0-0 and 1-0 were the most frequent scores in the Premier League last season.

[The scorelines in our sessions are far more interesting.](#)

[Rajseran is the first Player of the Month, for July 2009, finishing ahead of Lukas by the narrowest of margins. Dom and Poh Keng are joint third. Rizal is fifth.](#)

[Mid-week schedule:](#)

- We've got 20 for tonight's impromptu mini-tournament at The Cage, plus one reserve.

[contd]

- Tomorrow night's session has been switched to Sports Planet. There are 2 places left.
- 4 places left for Thursday night at The Cage.

The reserve for tonight can't make Wednesday or Thursday, so if anyone down for tonight can switch to either Wednesday or Thursday, please do so.

[Weekend & public holiday schedule: Proposals for games on Saturday, Sunday and Monday.](#)

[An 8-a-side for Monday evening.](#)

[And how about a separate women's session on Saturday?](#)

[And how impromptu Friday night sessions could work. I won't be scheduling any in the foreseeable future though.](#)

[Suggest a place to have drinks on Sunday night to watch the FA Community Shield.](#)

[The Supercoppa Italiana takes place in Beijing this Saturday. The European Leagues are competing for the China market.](#)

[More meaningless friendlies, and pre-season mini-tournaments:](#)

- Tottenham win the Premier League Asia Trophy in Beijing.
- Aston Villa win the Peace Cup in Spain. Real Madrid lost in the semi-final.

[Premier League ins and outs - lots of transfer gossip, but actual transfers have been fewer and further between.](#)

[No "enclaves" on FIOFAFI, or are we a "football enclave"? I do try to include other sports. And what the politicians have to say.](#)
