

FIOFAFI

Regular indoor football, sports and other activity for working adults in Singapore

Friday, 7 August 2009

TAILS

[Weekend & public holiday schedule:](#)

- 2 places left for tomorrow, 5 to 6 pm, at Sports Planet.
- 12 places left for the 2 sessions on Sunday. If there are not enough for 2 sessions, then we'll go with one session, in which case, only 3 places left. The National Day Parade is quite popular.

[To confirm](#) for a routine session, the best place to start is the "[Routine Session](#)" page.

[Line ups for Monday evening's 8-a-side.](#)

[Next week's mid-week schedule is out.](#) Extra session scheduled for Wednesday. Please indicate preference for Wednesday's venue, if any.

[Comebacks](#) - where one side takes a big lead, and the other side comes back to draw or win.

If you've played in the past week, don't forget to vote for your [player of the session](#).

[The latest telephone is attached. As such, only those whose numbers are on the list will receive today's "Tails".](#)

Why [FAFI](#)?

Even if it's just social football with a competitive edge, our sessions can sometimes get heated, but don't forget, [it's for fun](#).

[Not much response for drinks on Sunday night to watch the FA Community Shield.](#)
